Personal email - to sign in with fed i needed to apply for why i want the application

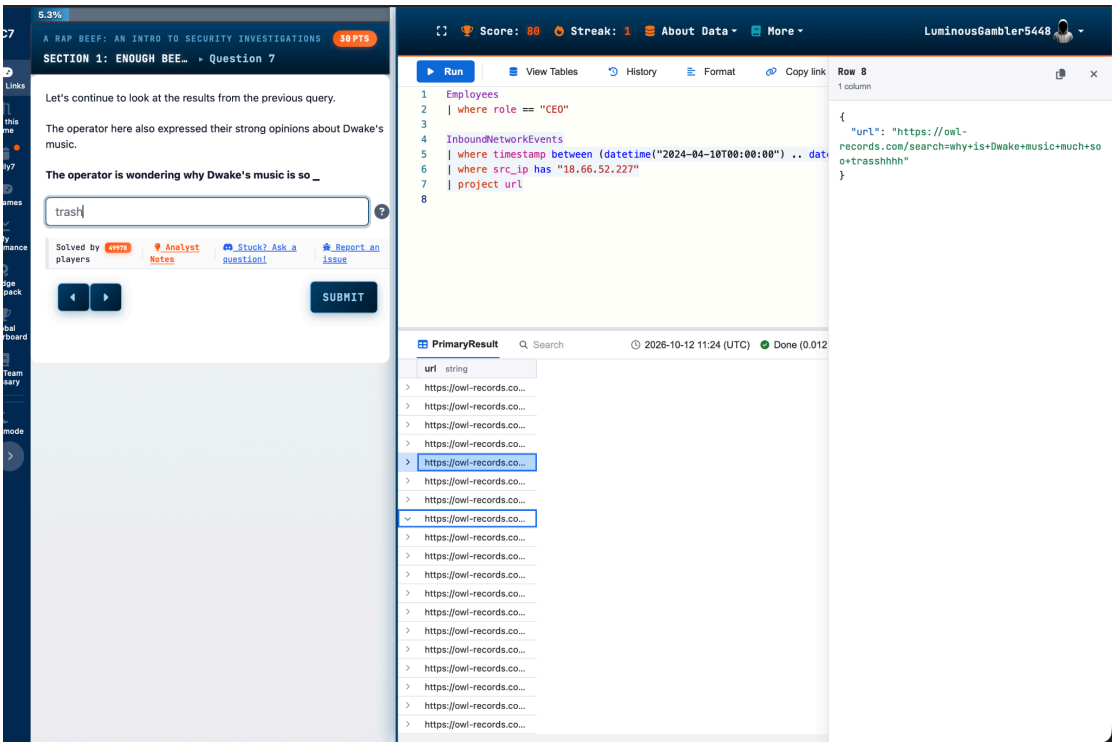

19 rows total,

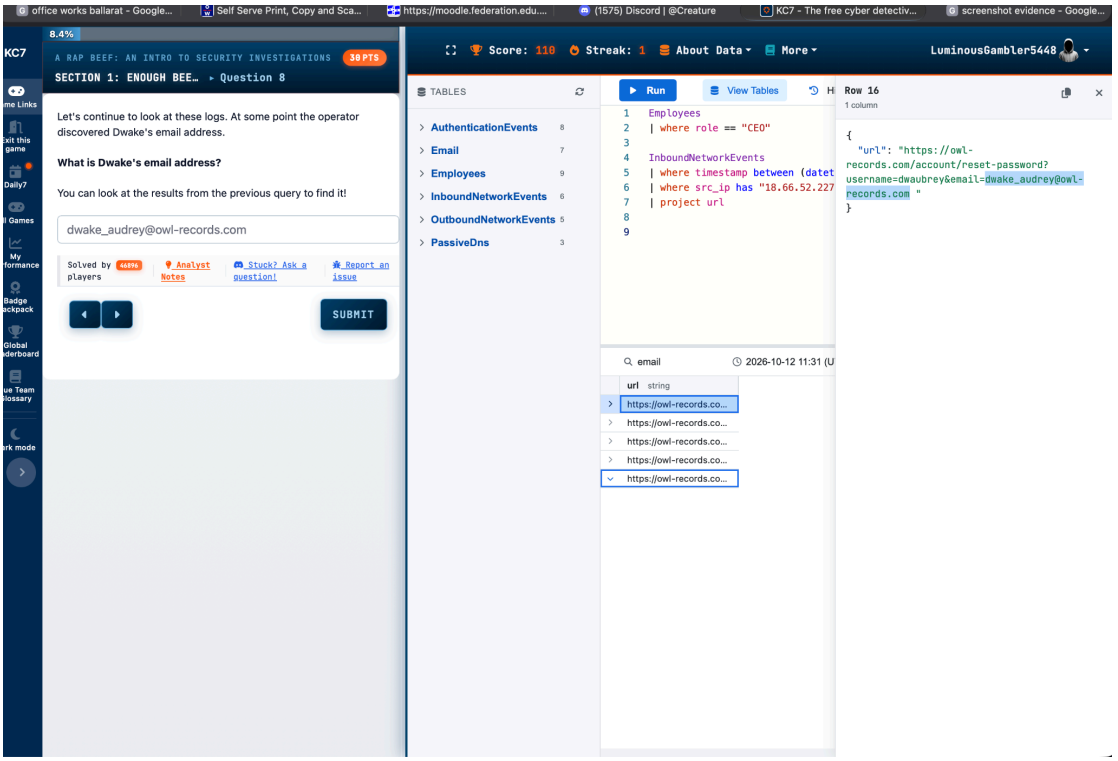

The answer is email address

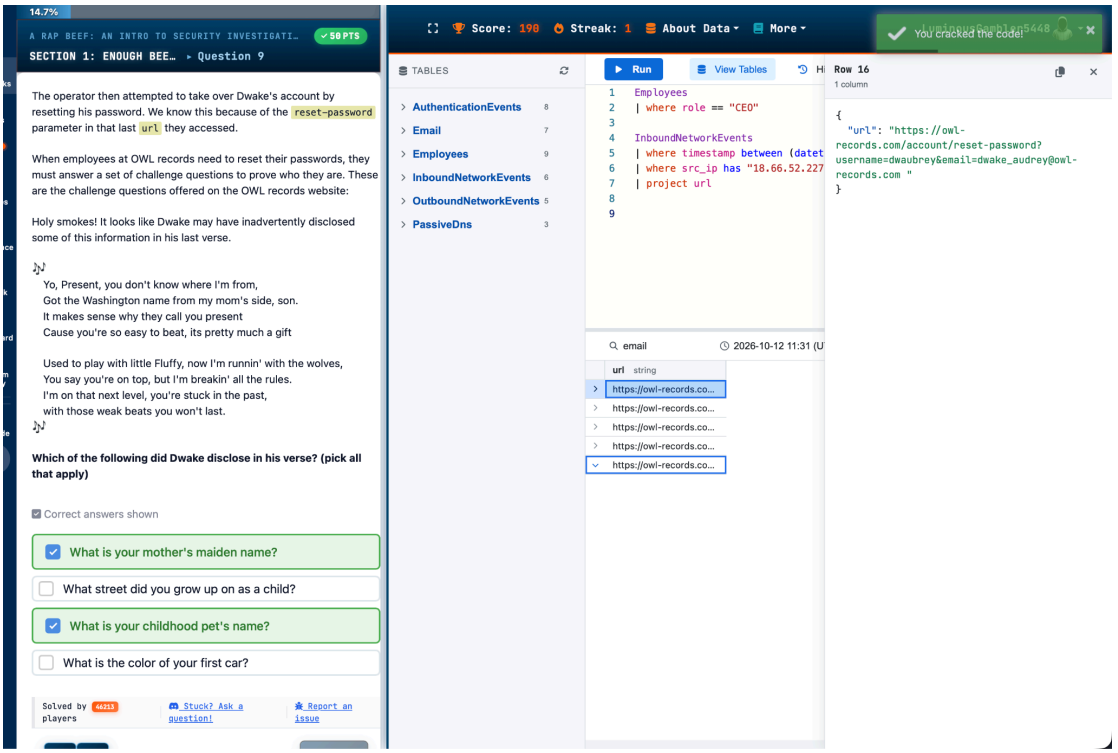

The answer is trash

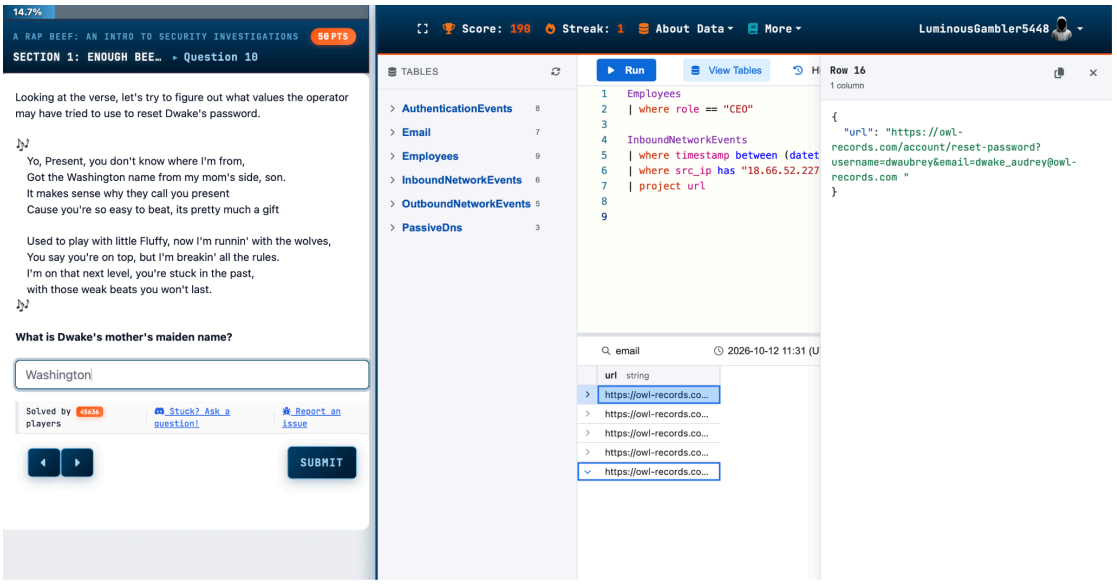

Answer is the email on the right

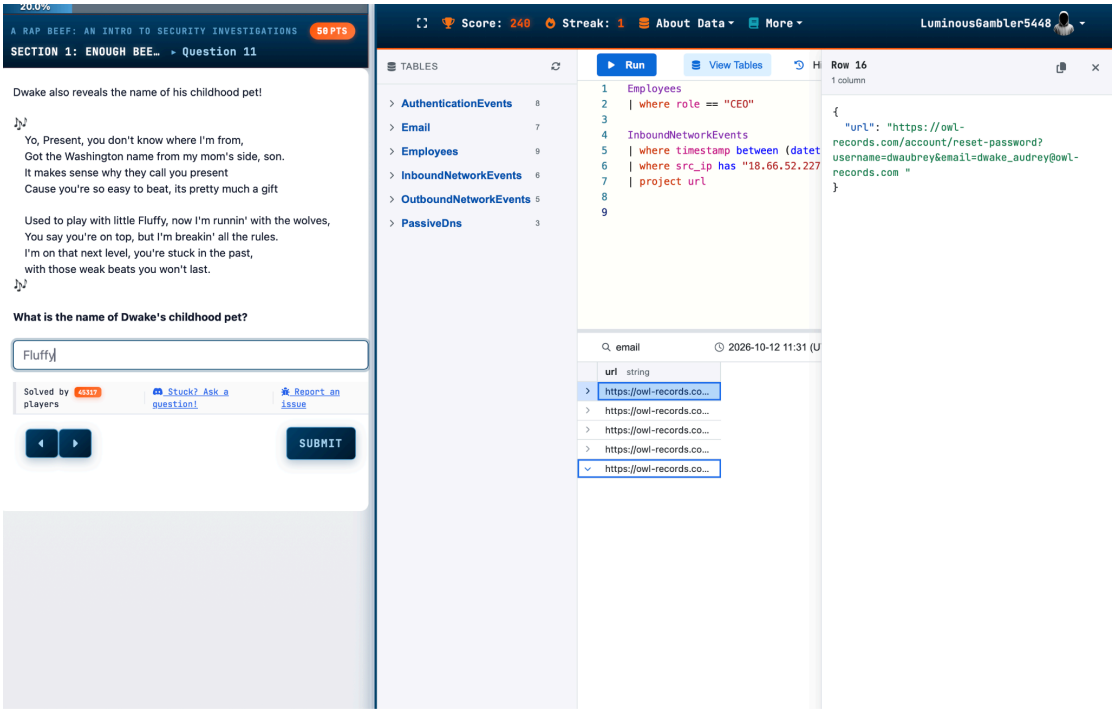

Answers are in the song lyrics,

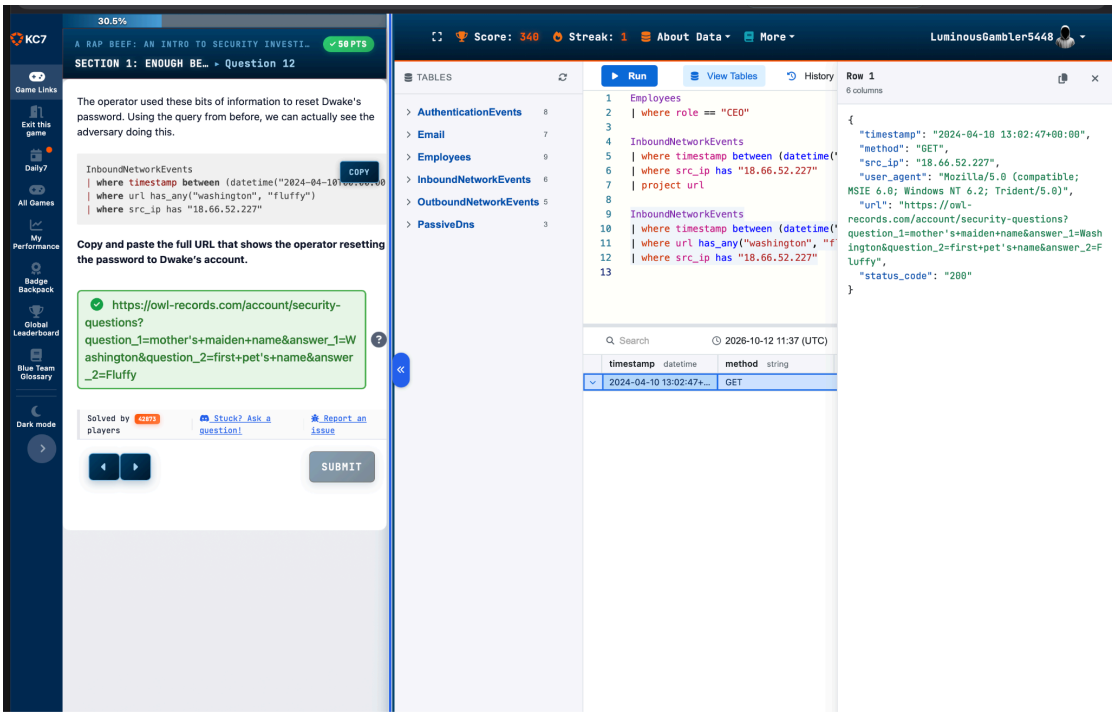

//

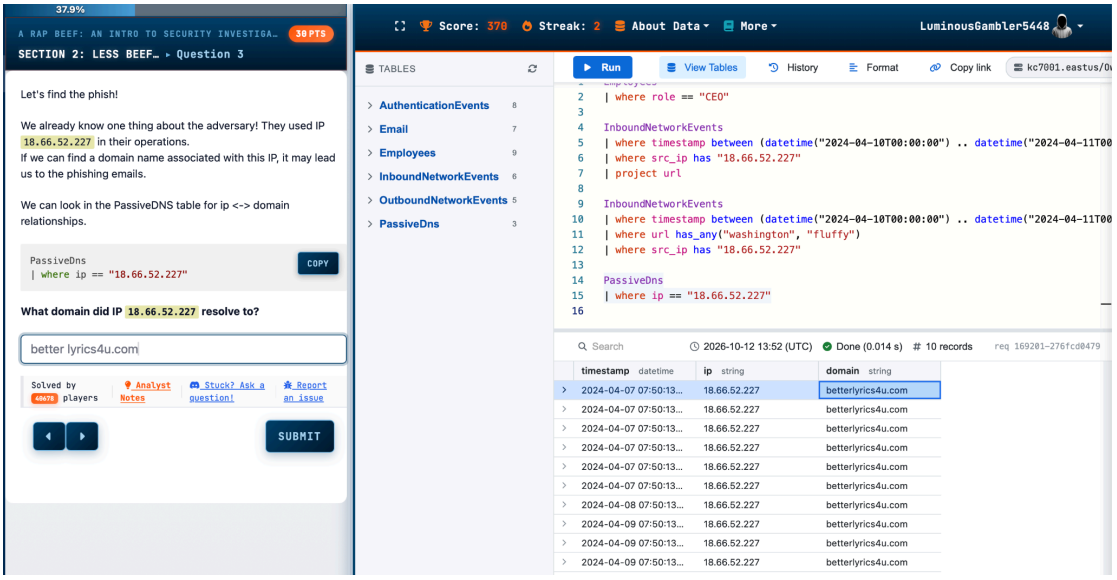

//

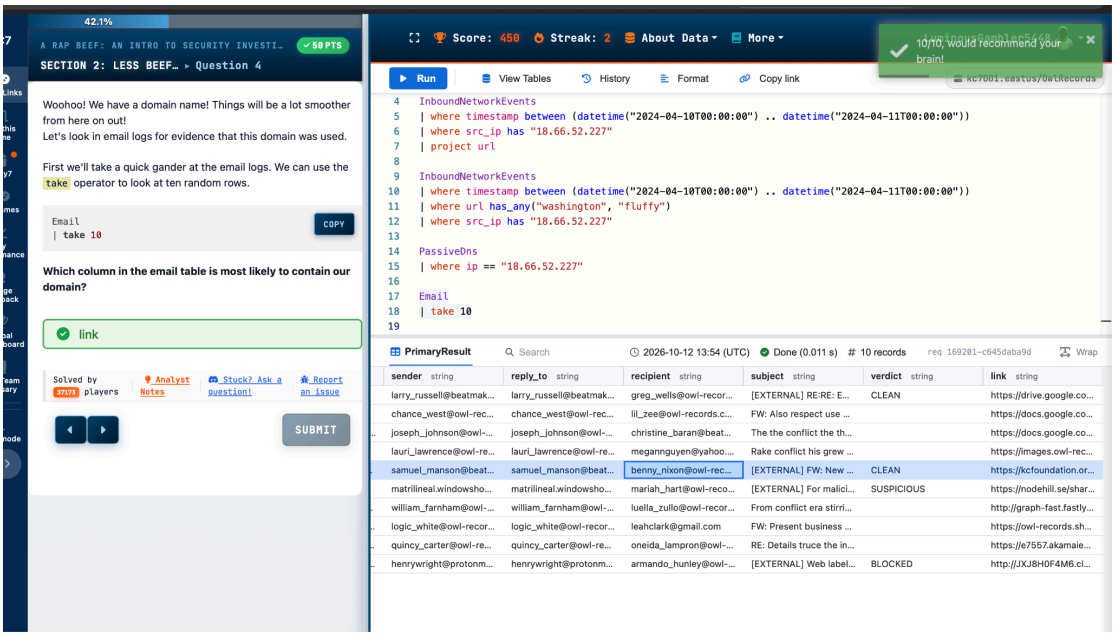

Full URL and KQL to get the string used

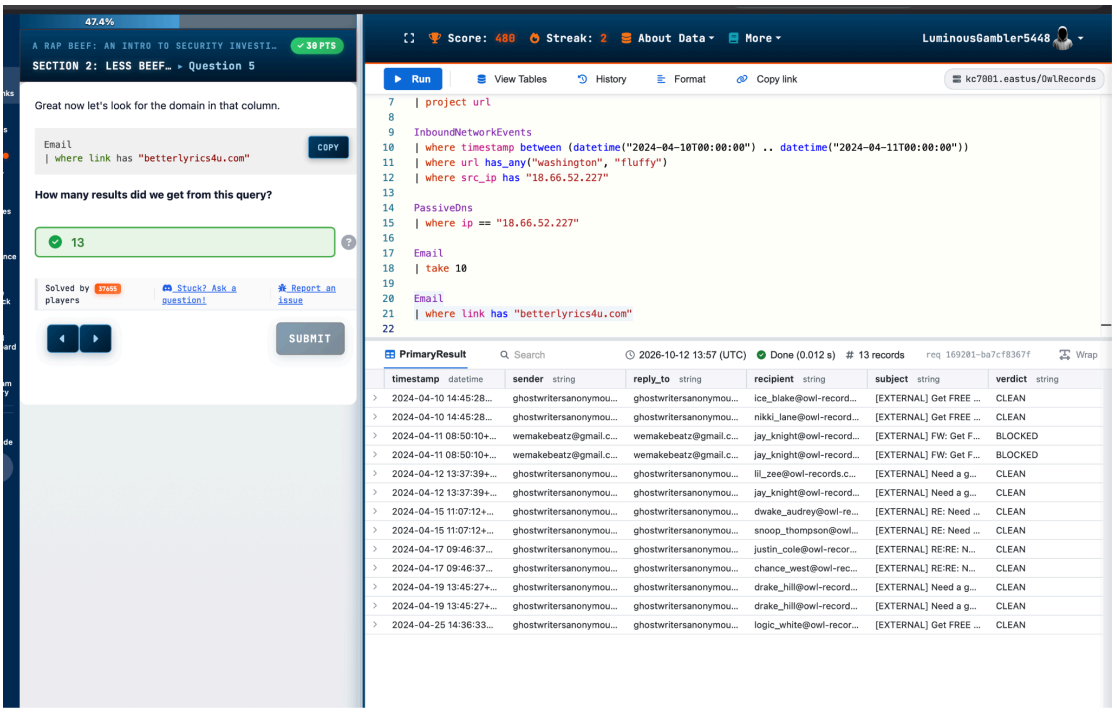

The IP address resolved to better lyrics4u.com

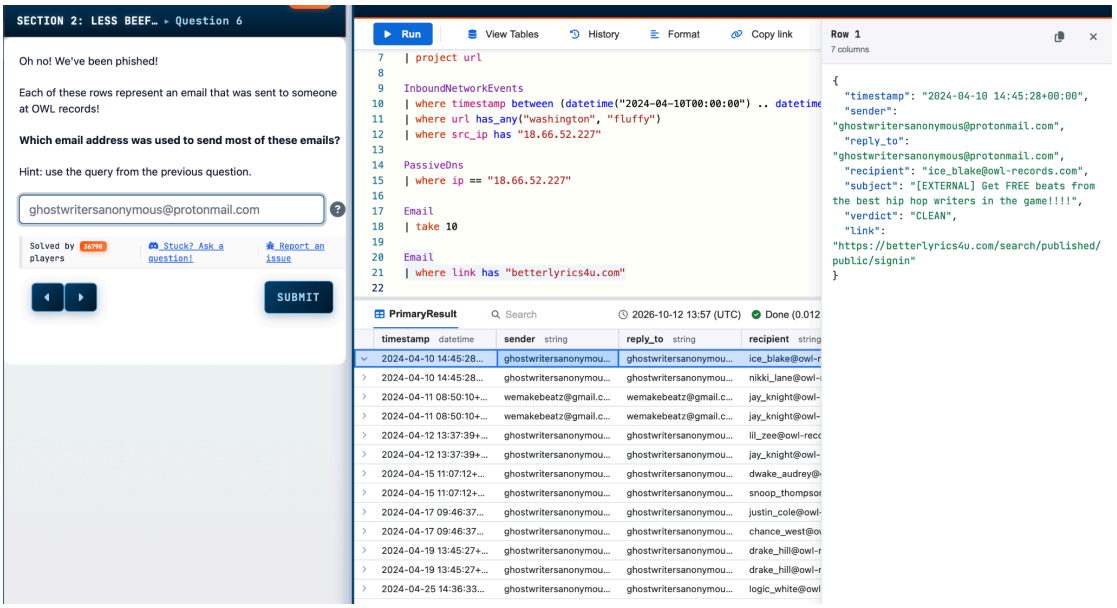

The answer in the table is link

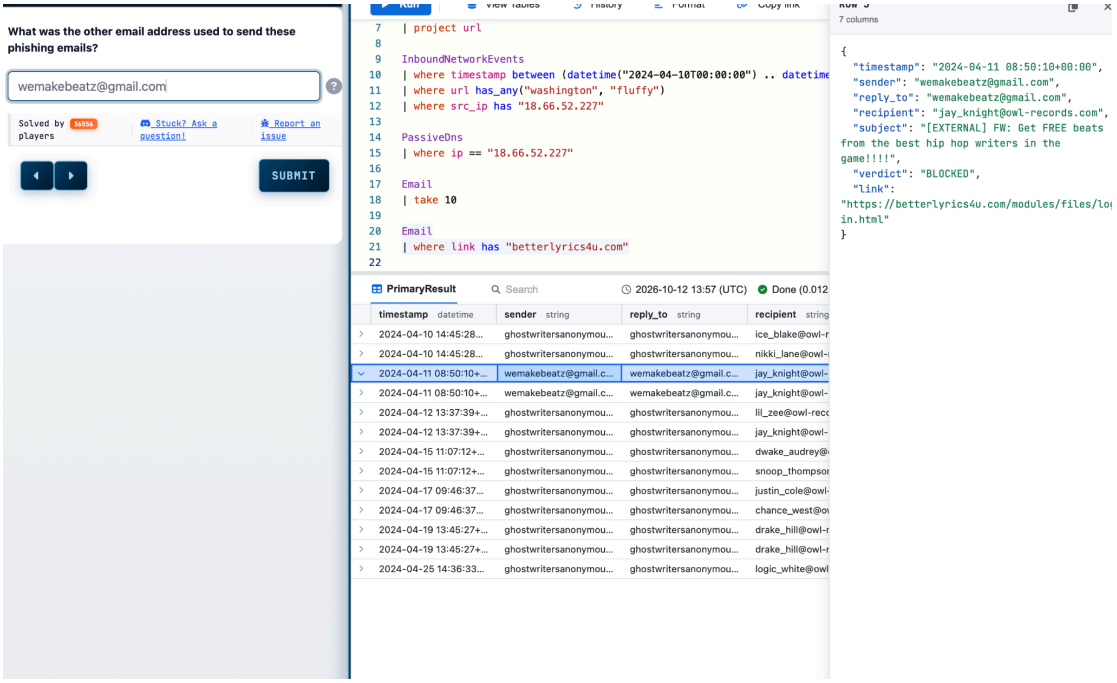

13 results to the domain

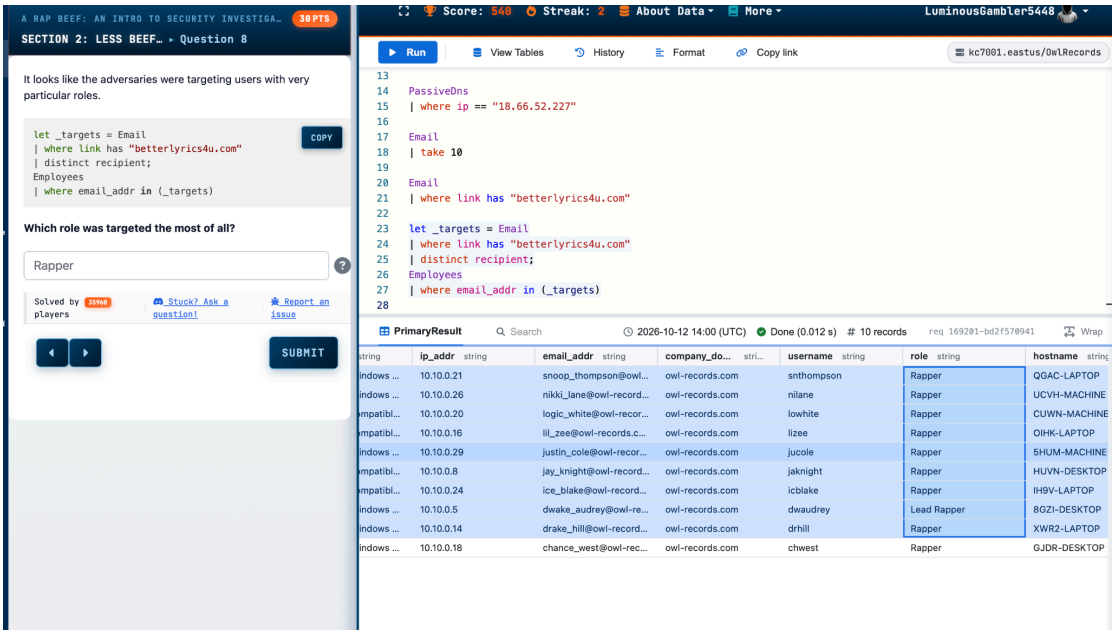

Ghostwriter email was the one sent the most

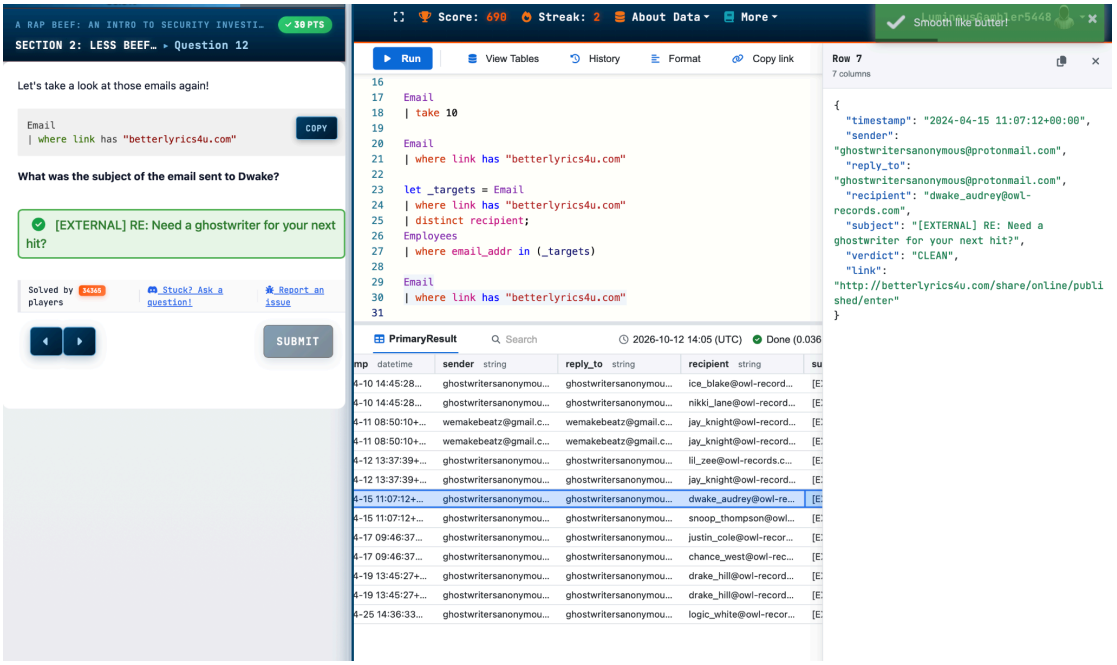

Sent also from we make beatz

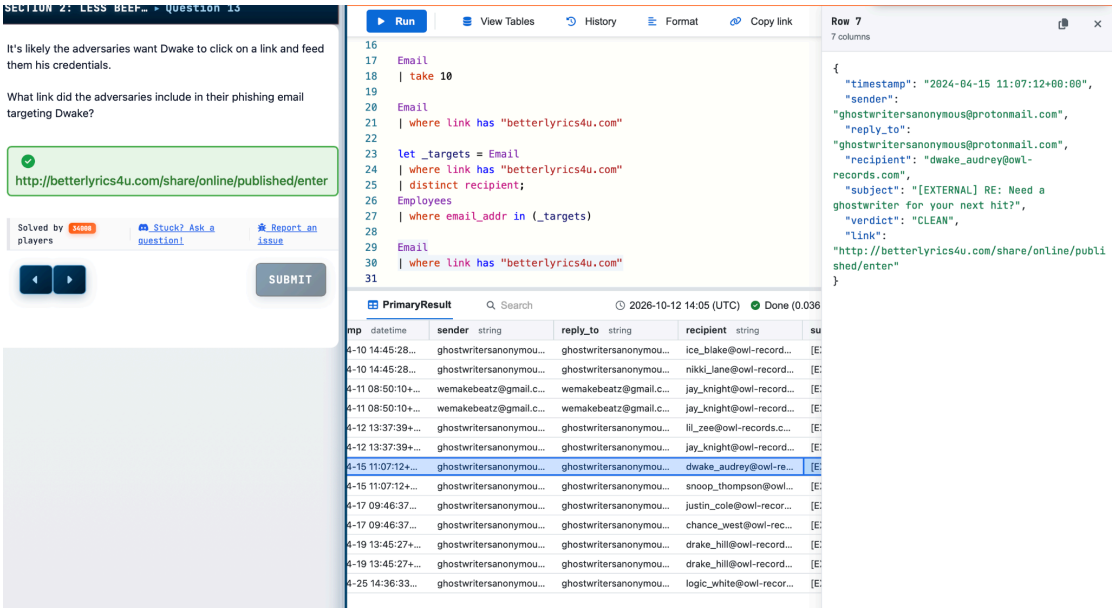

Rapper was phished the most

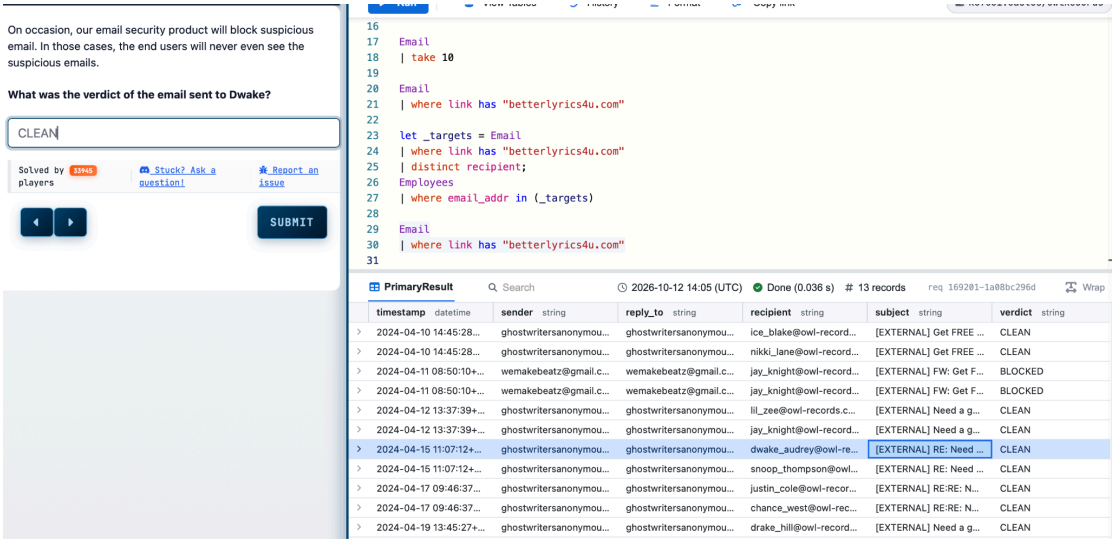

What was the subject of the email sent to dwake

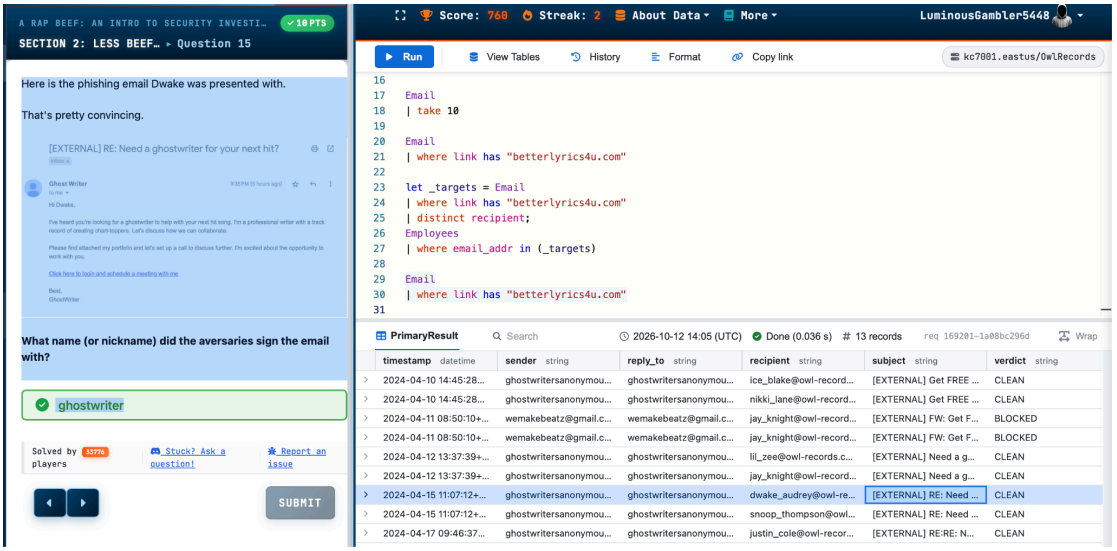

What the link to the phishing was

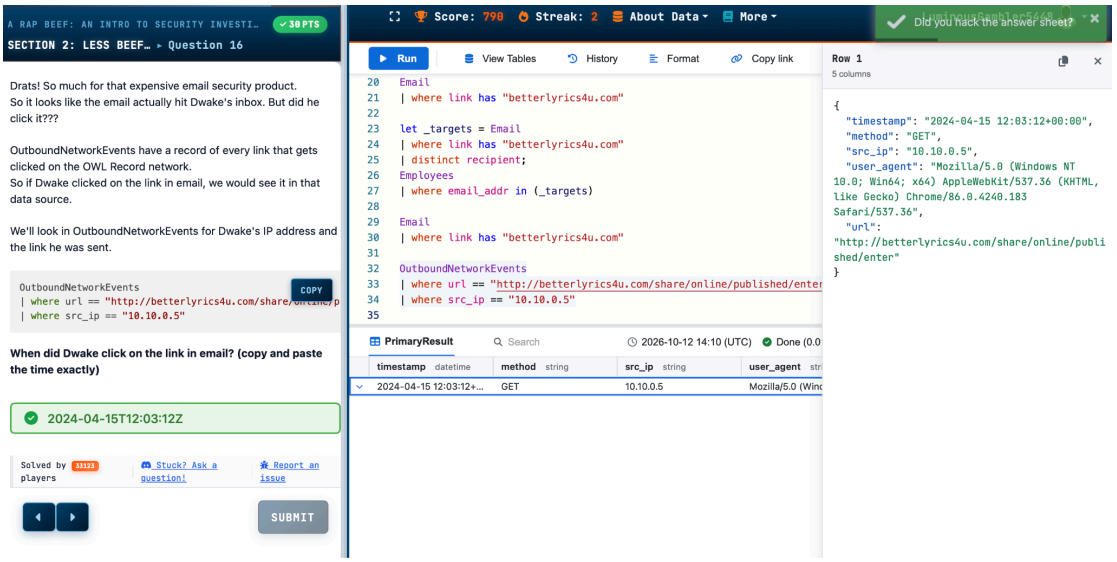

Verdict is clean

What drake actually saw

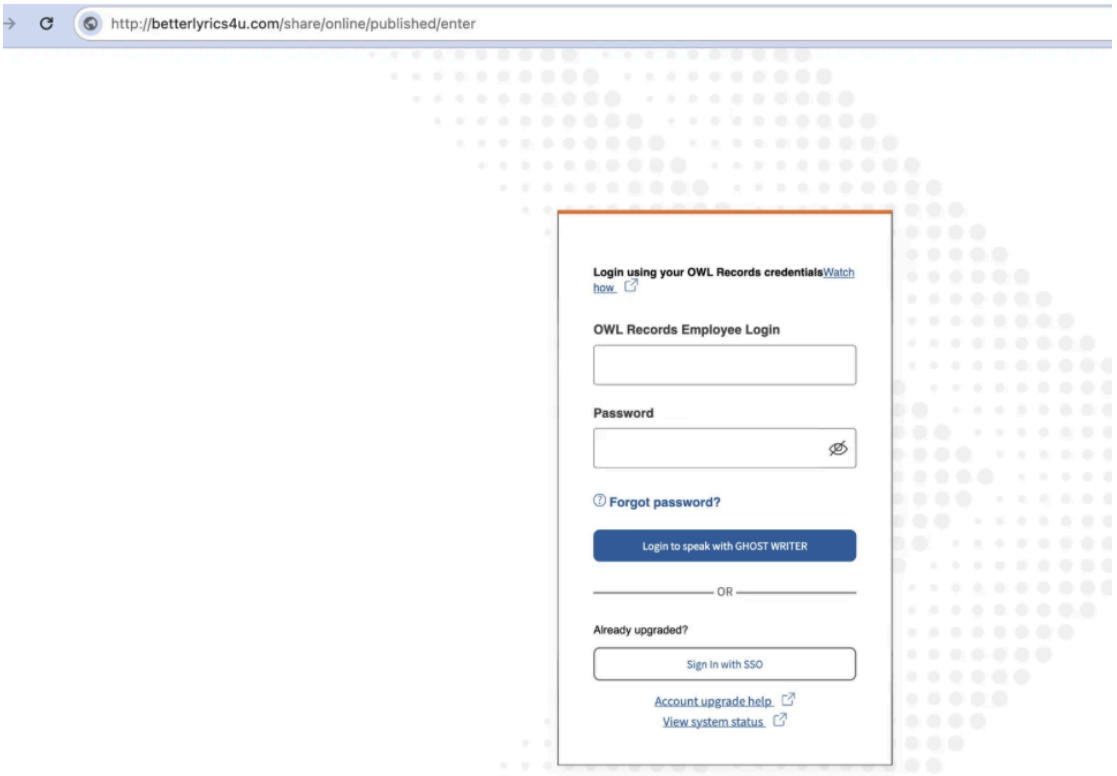

The exact time Dwake clicked the link

This is what was said on the submit button for the anonymous link

After Dwake clicked on the link in the email he was presented wi
this phishing page:

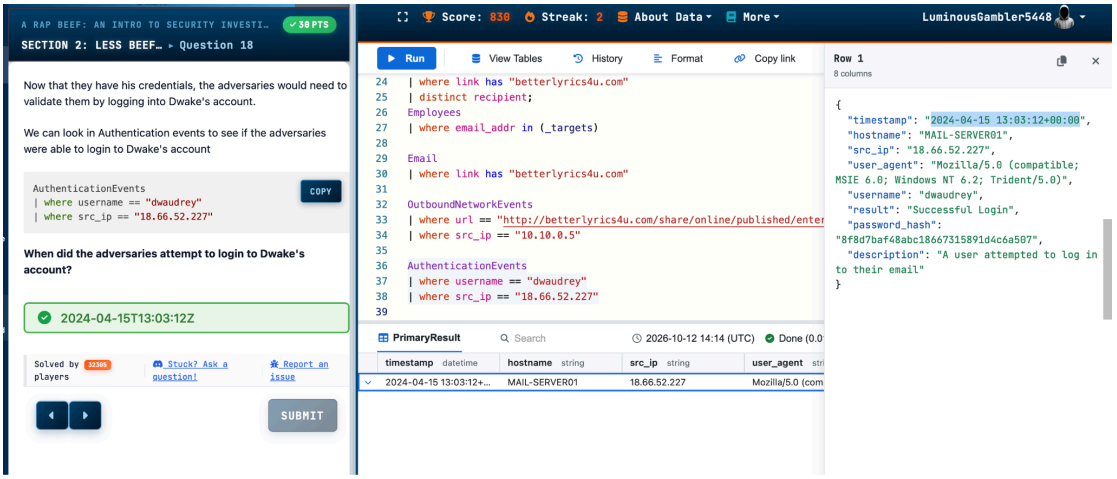

It is most likely he entered his username and password.

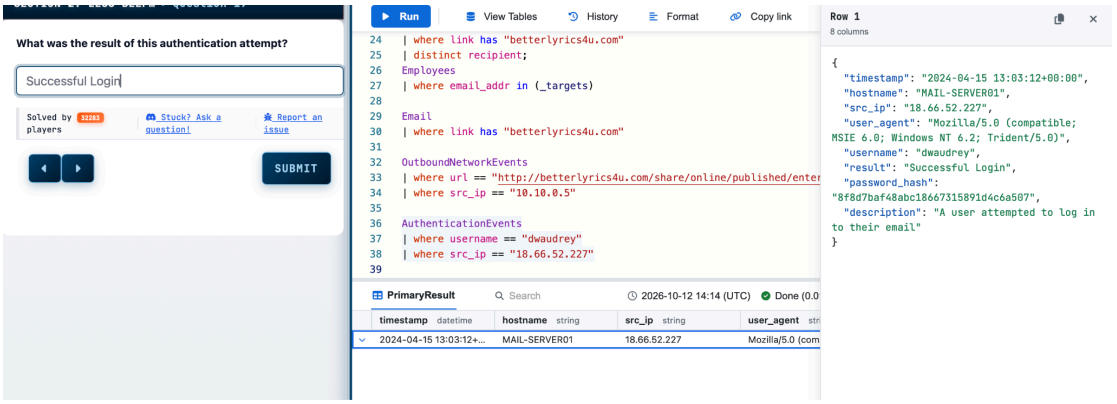

What is written in the submit button for this login portal?

login to speak with ghost writer

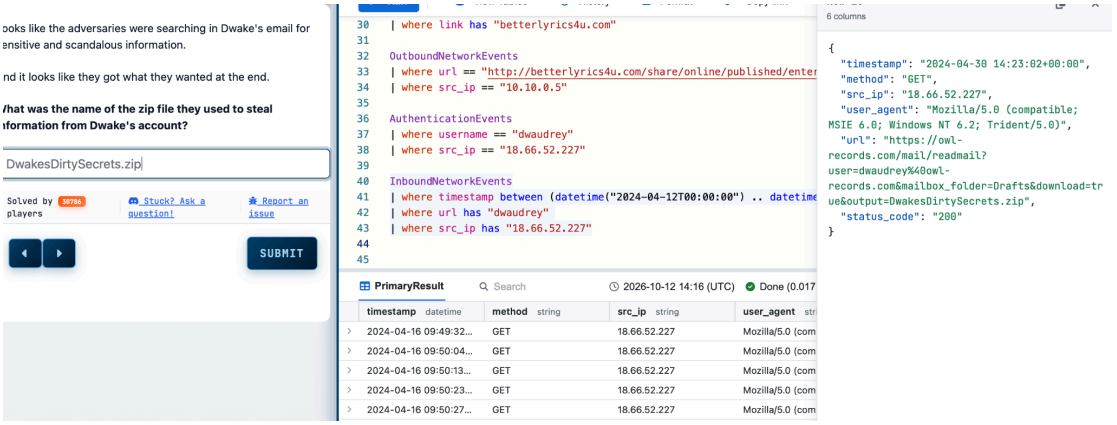

When the adversaries attempted to log in

The result of this login was successful

Name of the zip used to steal information from dwake

Final completion
